Dear Girls & Boys, I think you all have heard quite a bit about the eclipse that took place this past Monday. Maybe you were even able to see the moon, as it passed in front of the sun, through sunglasses! I think all over North America there was a lot of talk about the eclipse occurring and even celebrating. Although the eclipse was a very special event, in Bible times, God warned the Israelites against worshipping the sun or the moon. How fitting it would be, if in our day, we also took that warning to heart. May we truly learn to acknowledge the Creator of the universe when we are able to see these wonders in creation. Children who have earned a book this time are: Ellen Bleeker, Leah Spaans, & Mya Spaans, hope to see you in the library following the service this evening to choose your book. Just a quick reminder that there are most likely only 2 more puzzle pages after today before the puzzle season ends. If you have any puzzles at home, bring them in and maybe you will be able to get a book before summer! Sincerely, Mrs. Jackie Knibbe Today's Puzzle (10 points): Your puzzle today is about the sun and moon. Look up the texts listed below and fill in the blanks.
